continuous

Tour Itinerary

Day 1 : Check-in & Enjoy the Cruise Facilities

The journey begins with check-in aboard the Lake Nasser cruise, where the afternoon is spent settling in

and enjoying the onboard facilities. Lunch, tea time and dinner are served on board, with the overnight moored at Aswan.

Day 2 : Visit Kalabsha Temple & Sail to Wadi El Seboua

After breakfast the day is devoted to the Kalabsha Temples, a striking model of Nubian architecture built in 30 BC during the Roman reign of Augustus for the sun god Mandulis on the west bank near Aswan. The cruise then sails on toward Wadi El Seboua, with all meals served on board.

Day 3 : Explore Wadi El Seboua & Amada Temples

The morning explores the Valley of the Lions at Wadi El Seboua, a Nubian monument set in Southern Egypt that was created by Amenhotep III and lies just south of the Aswan Dam. Sailing on to Amada, you visit its temple complex including the Tomb of Pennut, the oldest Nubian Egyptian temple, raised by Thutmose III in honor of Horakhty and Amun. The day closes with all meals on board and an evening Nubian Show performed by the staff.

Day 4 : Tour to Abu Simbel Temple

The day is dedicated to the magnificent Abu Simbel Temple, built by Ramses the Great to honor Ptah, Ra-Horakhty and Amun-Re, with the smaller temple of Nefertari nearby. After dinner on board there is an optional Sound & Light show at Abu Simbel, and the night is spent moored there.

Day 5 : End Your Cruise

A final breakfast is served on board before checking out of the Nile cruise to conclude the journey.
